UPCOMING EVENTS

Thursday, March 14 at 6 pm
will be our annual “Kickoff Party” with a new twist: it will be at Patagonia (130 S. Center St., Reno). Both our Reno and Truckee supporters are invited, plus Patagonia’s guests, so expect a bigger crowd than usual. We’ll have refreshments, all the fun and talented people who run the Trail, recognition t-shirts for 2018 volunteers and two presenters:

- Wendy Damonte, Vice President of Advocacy and Community Partnership at Renown Health, will show a very cool video of pro cyclists on the new trail section between Truckee and Reno, and provide a first-hand account of what the ride is like.
- Janet Phillips will provide an update on construction near Floriston and 2019 outlook for completion.

Please RSVP at the Patagonia site here if you will be able to come!

Easiest parking is on the street or in the Washoe County Courthouse parking lot across from Court Street after 5:00 pm

Saturday, March 17 at 7:30 am
we will have an exhibit table at the “Leprechaun Race” for runners. It starts at the Discovery Museum, and you can sign up at https://race178.com/leprechaunrace/.

Thursday, April 4 at 7:00 pm
we will have an exhibit table at the Nevada Land Trust’s Banff Film Festival. Please stop by and say hello as you support the Land Trust at this very exciting event.

Tickets should be bought in advance, because this program usually sells out. Go to http://nevadalandtrust.org/events/banff-mountain-film-festival/.

BECOME AN AMBASSADOR!

If you would like to learn about the Trail to a level that you can share this terrific project with others through exhibiting, please email Mike Traynor at mht3241940@att.net. He will partner you with an experienced member of our Communications Team at an event similar to the three listed here.

PHOTOGRAPHS NEEDED!

We have a very OLD photo collection of people using the Trail (not the people, the photos are old!). If you have some nice action photos showing the Tahoe-Pyramid Trail, please send them to info@tahoepyramidtrail.org. We'll credit you in our uses of them.

Nice photo of Pyramid Lake, taken in 2008!
The third annual Bikethon at Great Basin Bicycles raised $1601 for the Trail (47% more than last year!). Thanks to everyone who rode, and those who volunteered to help at the event. Special thanks to Rich Staley and the staff at Great Basin Bicycles for hard work and riding many miles.

KTVN, Channel 2, produced a great story promoting the Bikeathon last week. Watch it here: http://www.ktvn.com/story/40002683/tahoe-pyramid-trial-bikeathon

Long-time trail maintenance chief Bill von Phul, pictured above in January, usually clears the snow off the Mogul-Verdi trail. But in mid-February, some mystery helper did it! If you are the good person responsible, please let us know!

See a terrific article by Paige Galeoto in our area’s newest publication, “Just the Positive” about the history of the Tahoe-Pyramid Trail. (https://www.justthepositive.com/blog/paddling-upstream-one-womans-tireless-effort-build-114-mile-river-trail/)
