The Community Foundation of Western Nevada hosts a free 8-week seminar on Family Estate Planning. The expert speakers educate seniors about wills, trusts, etc., without pitching their services. Advance signups are required at 333-5499. Your contact info will be kept confidential. This series has benefitted the Tahoe-Pyramid Trail.

we will have an exhibit table at the Nevada Land Trust’s Banff Film Festival. Please stop by the Reno Ballroom and say hello as you support the Land Trust at this very exciting event. Buy tickets in advance, because this program usually sells out. Go to http://nevadalandtrust.org/events/banff-mountain-film-festival.

THANKS TO TPT SPONSORS!
A huge THANK YOU to our recent event hosts: Patagonia in downtown Reno for another sold-out Kickoff Party, and Great Basin Bicycles on South Virginia for our 4th annual fun and profitable Bikeathon.

“LEGACY CIRCLE” QUESTIONS
At the Kickoff Party several people said they would like to leave some of their estate to TPT but didn’t want to re-do their will at this time. Here are 2 easy alternatives:
• Name the Tahoe-Pyramid Trail as a beneficiary of your investment account. Most companies provide this designation online under “profile”.
• Ask us for a one-page form that you can attach to your will.
If you let us know of your including TPT in your estate plan, you become a “Legacy Circle” member.

SMART TAX DONATION IDEA
If you are receiving unneeded RMD payouts (if you don’t know what this is, nevermind), you can direct them to TPT and avoid taxable income!
