NO PAID STAFF

The Tahoe Pyramid Trail is proud to say that the organization is **100% volunteer**.

A BIG Reason to Celebrate!

The Tahoe Pyramid Trail organization spent **17 years** planning and **7 years** building the **\$3 million** Tahoe Pyramid Trail, connecting Truckee to Reno/Sparks.

“ This project is a visionary, long-term effort — the type of project that people in 50 years will say ‘thank goodness someone had the foresight to invest in protecting this land and these trail rights.’ ”

THE FUTURE OF THE TAHOE PYRAMID TRAIL

LIFE-LONG CARE

As each section of the trail is completed, TPT's stewardship — through maintenance, extension, and enhancement — begins.

THE TRAIL'S FUTURE...

brings even more challenges in the Truckee River corridor, from Sparks to Wadsworth.

"I've lived here my entire life, but my one complaint is there are not enough trails for my mountain bike. The Tahoe Pyramid Trail is epic. Thank you Janet."

David Wise
Olympic & X-Games Gold Medalist freestyle skier
